

Empowered Performance, LLC

“At Empowered Performance, our mission is to engage and empower the minds and spirits of all of our clients and to transform that intellectual capital into a sustainable force they use to dominate their competitors.”

Michael J. Stickler

Do You Have The Guts To Work With Us?

How We Can Help You and Your Team

We bring you all the benefits of international experience with hundreds of teams in companies of varied sizes and industries. As seasoned professionals, we'll help your people by conducting value-added learning experiences related directly to your business processes as well as identify the most effective strategies to reach your vision. We have what it takes to help you and your team achieve bottom-line as well as top-line results by implementing proven business improvement tactics. We use tactics that include direct methods of knowledge transfer tailored to your needs for achieving significant productivity gains. We never waste time—yours or ours.

Typical Results

Over the last several years our team has developed a process improvement approach that significantly impacts the performance of any business. This process is so effective that many of our clients are using it to actually grow their businesses in a “down economy”.

• Sales	Increased	50% to 200%
• Equipment Effectiveness	Improved	25% to 40%
• Line Breakdowns	Reduced	50% to 75%
• Factory Floor Space	Reduced	25% to 50%
• Productivity (Throughput)	Increased	25% to 50%
• Defects	Reduced	80% to 90%
• Production Lead Times	Reduced	75% to 95%
• Changeover (Set-up) Times	Reduced	90% to 95%
• Line Shortages for Parts	Reduced	80% to 90%
• Overall Inventory Investment	Reduced	50% to 80%
• Customer Deliveries	From Weeks to Hours	
• Profits	Doubled and Doubled Again!	

Wouldn't results like these help you achieve your strategic objectives?

When you're ready to meet the challenge...
